

QUEENSLAND MINERALS AND ENERGY ACADEMY (QMEA) 2021 OUTCOMES AT A GLANCE

"I really enjoyed the team working aspect and being able to speak with industry professionals; it gave a great insight into the industry."

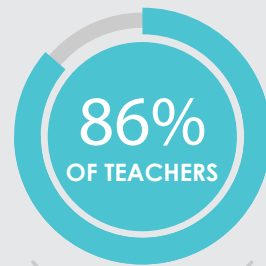

- Student, Oresome Minds Camp Rockhampton

“QMEA did a fantastic job in keeping the students engaged. Wonderful timing for our year 10's as they approach subject selection, especially if undecided with regards to choosing subjects linked to Engineering.”

“I would thoroughly recommend this event to all schools. What a great way to introduce school children to the resource sector and trade-based careers. I did a trade over 30 years ago and wish there had been programs like this back then.”
