

2026 QMEA & WIMARQ GIRLS Mentoring Program

The QMEA & WIMARQ Girls in Resources Leadership Skills (GIRLS) Mentoring Program is open to female students who will be in year 12 in 2026, at a QMEA network school, and have an interest in pursuing a career in the Queensland resources sector.

Successful applicants will be mentored by a resources industry professional who is specifically matched to them and will complete an Australian Institute of Management micro-credential in Artificial Intelligence. This program provides numerous opportunities for participants to make connections with industry and open career pathways into the resources sector.

The program runs from March 2026 to August 2026. It includes a launch trip to Brisbane for the program launch in March, a ticket to the QRC Resources Awards for Women lunch, specific mentoring program training, networking opportunities with industry, Australian Institute of Management AI micro-credential, 5-6 one-hour mentoring sessions and a second trip to Brisbane for the program finale in August.
