

Whitehaven

Whitehaven University Scholarship

Whitehaven is offering two \$10,000 scholarships to support students from QMEA partner schools in Isaac or Central Highlands Local Government Area (LGA) who have demonstrated leadership, community spirit and a commitment to pursuing university studies at a recognised Queensland university.

Applicants need to be enrolling in a course providing a mining engineering pathway and commencing study in 2027.

Eligibility

To be eligible for a Whitehaven University Scholarship, students must:

- Have completed Year 12 in 2025 (gap year) or 2026;
- Have attended a QMEA partner school in Isaac or Central Highlands LGA;
- Be an Australian resident or citizen;
- Be pursuing university studies in a course providing a mining related engineering pathway, including pursuing a major in the second year in either civil, materials, mechanical or mechatronics engineering; and
- Be applying to a recognised Queensland university;
- Understand that the scholarship will be disbursed in two payments subject to providing evidence of enrolment in the relevant engineering degree.

Applications open: 10 August 2026

Applications close: 15 February 2027
